# KV 8450FM Soft Close Slide

# KV 8450FM

## Soft Close Slide

100 lb. class drawer slide with best-in-class soft-close module features patented Force Management™ Technology that delivers the lowest opening pull force while ensuring effective dampening closure that eliminates drawer slamming. Full extension drawer slide has a traditional and 32mm hole patterns that support industry standards. Features an unhandled design with lever disconnect for easy drawer removal. Recommended for drawers up to 24" wide.
